

## REMARKS

Per the Restriction Requirement of the Examiner, the Applicant elects Invention II, Claims 4-21. For this reason, Claims 1-3 are withdrawn. As instructed, Claims 22-29 are also withdrawn. New Claims 30-37 have been added, wherein new Claim 30 is an amended form of Claim 22 having been amended to meet requirements of Paragraph 3 of the Office Action.

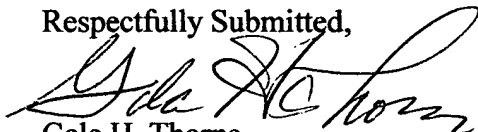

Please note that Claim 30 has been amended such that the process for using the product is claimed to be identical to the practice of using the product claimed in Claims 4-21. It is therefore respectfully requested that upon allowance of Claims 4-21, amended independent Claim 30 and associated dependent Claims 31-37 be considered for rejoinder.

Inventorship does not change due to election of Claims 4-21.

## SUMMARY

Claims 1-3 and 22-29. have been withdrawn New Claims 30-37 have been added. Claim 30 is similar to withdrawn Claim 22, but amended to provide grounds for consideration of rejoinder upon allowance of presently pending Claims 4-21, which remain in the Application as elected claims. A complete list of the claims is provided on separate sheets hereafter.

Respectfully Submitted,

Gale H. Thorne,  
Agent for Applicant
